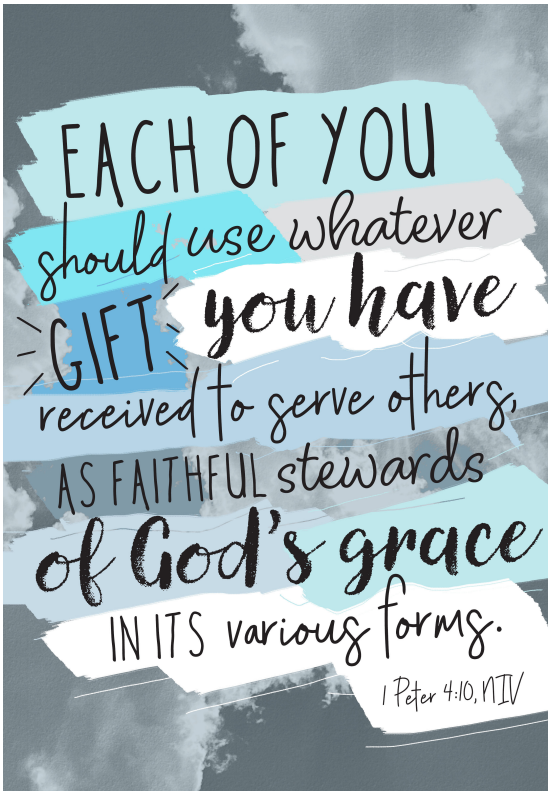
What's in Your Hand? — 2026 Stewardship Campaign



God asked Moses a simple but powerful question: "What is that in your hand?" (Exodus 4:2). This November, we invite you to reflect on the gifts God has already entrusted to you and how those gifts can strengthen our church and extend God's love into the world.

Throughout our three-week stewardship campaign, "What's in Your Hand?", we will explore how our time, talents, treasures, prayers, and presence can make a lasting difference.

As we look toward 2027, we encourage every household to prayerfully consider increasing their financial commitment, as they are able, to help sustain our ministries, expand our outreach, and strengthen our future.

Our campaign will conclude on Commitment Sunday, November 22, when we will bring our 2027 stewardship commitment cards forward for a special prayer of consecration.

What's in your hand? Together, let's discover what God can do with what we generously give!
