Who's That Baby?

Play Our Guessing Game, sponsored by Adult Council; Pictures due by Sunday, May 10

You have heard the saying: "You've come a long way, baby". Let's see if we can guess who the NOUMC members are from our baby pictures! You are invited to take a picture of your baby or toddler photo and text it to Charlene Vas at 440-477-9061 or scan and email it to charvas@cox.net. The deadline is Sunday, May 10. Include some details like your birth weight, city of birth, or another interesting fact – like if you were born in a car on the way to the hospital!

Charlene will number the photos and post them with your details on Facebook around May 13. Then the guessing begins! Answers will be revealed May 16.

For those who do not have access to a computer, Charlene will mail out a copy of the photos and answers so they can play along.

Honoring Our Graduates

We will be honoring our graduates during worship sometime in June. If you are a graduate or know of a member who is graduating from high school, college, technical school, or with an online degree, please give your information to Wendy Cooper by the end of May. She will need your name, school, degree, and what you will be doing next. ***Please also provide a photo of your graduate so we can include it in the service if we are still worshipping virtually!*** Email Wendy at sundayschool@noumc.org.

The Mother's Day Candy Sale is cancelled, but you can still support the

CANstruction Sunday School Mission Project

It looks like our Mother's Day candy-making fundraiser is not to be. Please know that we will continue to collect your donations for CANstruction until John Wolter and the CANstruction team needs the funds. Even though we are not holding actual fundraisers, you are still invited to make a contribution to our mission project. Don't forget that all of your donations ultimately end up helping The Cleveland Food Bank and those in need all across the greater Cleveland area. *Please send any donations in to the church, attention Wendy Cooper or Ed Brewster/CANstruction.* Thank you for all your support this year!
