### **Support Laura's Home Women's Crisis Center**

*Next Sunday, July 19 is Penny Sunday*

Over 30 years ago North Olmsted United Methodist Church began a meal ministry with East Glenville UMC. We were asked to supply \$125 per month for a community meal. We decided to go one step further and sent volunteers over to help prepare that monthly meal. After Glenville UMC closed, we decided to continue the ministry at Laura's Home, which is part of The City Mission. We continue to ask for only \$125 each month, and if you can remember the price of food 30 years ago as compared to today, you know we have been judicious with your donations.

July's Penny Sunday will go to provide meals at Laura's Home Women's Crisis Center. Your donations will help to feed 90 to 100 women and children each month. *Make checks payable to NOUMC and write July Penny Sunday in the memo. Send checks to the church office, attention Ed Brewster, Financial Secretary.*

### **UMW FUNDrive Coming Soon!**

*Friday, July 24, 6 pm – 8 pm*

*Sunday, July 26, 1 pm – 3 pm*

The trailer will be available on Monday, July 27 and Tuesday, July 28 by appointment only.

As a reminder, soft goods should be bagged in large garbage bags and other items should be packed in manageable-sized boxes that can be closed. Accepted items include clothing, shoes, bedding and towels, accessories (hats, gloves, scarves, ties, socks, purses, wallets, backpacks, belts, and jewelry), CDs, DVDs, electrical items, toys and games, kitchen items, knick-knacks, and sporting goods. No furniture and large house-hold items, baby gear, cleaning products, flammable items, or building materials, please.

### **Improving NOUMC Sanctuary Technology – Please Help**

The “NOUMC Technology Team” has set an ambitious goal to completely modernize our sanctuary technology by Labor Day, Monday, September 7, 2020 and has undertaken a project working closely with the Worship Committee and others to address specific capabilities. Implementing these new capabilities will require funding above what is currently in our operating budget. To purchase the new equipment, install it, and train volunteers to operate it is expected to cost between \$12,000 and \$15,000. Two families have pledged to match any contributions up to \$8,000 for this project. That means anyone else who wants to contribute will have their donations doubled. Our hope is that enough members will make contributions in response to this generous offer which will allow for the completion of technical installations by Labor Day. Please consider making a financial donation to help with this important expansion of our ministry. To do so, *you may address your check to NOUMC to the attention of Ed Brewster, Financial Secretary with a memo line of: “Sanctuary Equipment.”* Thank you for your support for the advancement of worship experiences at NOUMC.
