Enduring the Long Haul

It’s been a long time since we’ve worshipped in-person with one another. March 8 was the last time that we gathered on Sunday morning for Sunday school, fellowship, and worship. On March 15, the worship bulletin, announcements page, and sermon text were sent to people and posted on the church’s website. On March 22, John Wolter, Phil Wolter, Marlene Dirksen, and I worked together to offer live-streamed worship in the sanctuary.

Since that time, we have teamed with you and others in the life of the church to offer live-streamed worship from my home through the gifts of technology and the home broadcasting studio of Phil with John at his side. While it has been a joy to discover and share worship in new ways, 20 weeks, going on 21 for August 2, is a long time to be away from one another’s company! We do not yet know when we will worship in-person again but as you know we are targeting September 13 as a possibility as long as COVID-19 does not prevent us from doing so in respect for everyone’s health and safety.

Seeking living messages of hope as we endure the “long haul” is important so that we can be encouraged and offer strength for one another. The Apostle Paul offered an enduring message of hope to the people of Rome as made known in Romans 5:1-5. He had compassion for their trials and sufferings as I believe he also would for us. Note these powerful words and post them near your computer, on your refrigerator, on your bathroom mirror, in your Bible, or on your bedside table.

“Therefore, since we are justified by faith, we have peace with God through our Lord Jesus Christ, through whom we have obtained access to this grace in which we stand; and we boast in our hope of sharing the glory of God. And not only that, but we also boast in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God’s love has been poured into our hearts through the Holy Spirit that has been given to us.”

As we endure in hope together, know that the love of God and Jesus Christ will always be with you through the sustaining presence and power of the Holy Spirit! How so? It is made known through the creative and adaptable ways in which you continue to connect with each other: prayers, phone calls, emails, text messages, greeting cards, Zoom meetings, mission outreach through financial support and material goods, care for the church building and grounds, advancement of audio/visual technology, and safe-distancing practices with small group fellowship, study, and conversation outside the church. Fantastic, NOUMC! Carry on!

Faithfully and prayerfully in Christ,

Dear Friends,

A sub-committee of the Reopening of NOUMC Committee has set up guidelines for small group gatherings. We know many of you are looking forward to being able to meet at the church for fellowship, committee meetings, and projects. We are trying to make this happen while keeping everyone as safe as possible.

Please see the “Procedures for In-Church Small Group Gatherings at NOUMC”. If you want to set up a meeting, please call and leave a message or email the church office and Megan will be able to help you.

You are encouraged to continue Zoom meetings and outdoor meetings at the church or at public parks as a good and safer option than meeting indoors. For outdoor meetings, masks and social distancing continue to be required.

Thank you,
Pastor Hoyte, Michelle Wolter, & Jean Scothon

The following procedures are to be practiced by small group leaders and participants in an effort to prevent the spread of COVID-19. Please follow these procedures in respect for every one’s health and safety.

1. All surfaces are to be sanitized prior to the gathering and after; this includes bathrooms, tables and chairs, doorknobs, light switches, door handles, etc. All trash is to be taken to the dumpster at the end of the gathering.

2. Screening is to be administered. This includes taking of temperatures, checking for other symptoms, recent travel histories, and contact with someone that has tested positive for COVID-19. This information will be recorded in case contact tracing becomes necessary. A form will be provided for group leaders to complete.

3. Hand washing with soap or hand sanitizer is required before and after the meeting.

4. Wearing of face coverings is required.

5. Physical distancing is to be maintained at all times (a minimum of 6 ft.)

Summer Fun with Adult Council

Ice Cream Social & Trivia Evening
Tuesday, August 4, 6 pm - 8 pm, Church Parking Lot

Ready for an evening out? Join us in the NOUMC parking lot for trivia and ice cream. We will leave a blank parking spot between each car. You are welcome to bring a lawn chair if you prefer to sit alongside your car. Please wear a mask and try to maintain a six-foot distance from others. There will be a mix of trivia categories, and we will have a variety of individually wrapped popsicles and ice cream novelties to choose from. Please feel free to bring a pencil, paper, and anything else you will need to enjoy the evening. There will also be a Penny Sunday collection jar, so those who are interested can donate to the August Penny Sunday Fund. To RSVP or for more information, email Tammy Moore.

For the past few months, Adult Council has been looking for ways that we can experience fellowship and stay connected with one another. Now that it has been nearly six months, we are looking for new ways that we can safely socialize within the confines of COVID-19. We hope that each of you will determine what is best for your individual situation.

We also ask for your understanding, cooperation, and respect with the following in considering your attendance at events:

- If you have recently been exposed to someone with COVID-19, it will be best that you do not attend.
- If you have recently been out of state, it will be best that you do not attend the event or any other church event for at least 14 days.
- If you are physically unable to wear a mask, it will be best that you do not attend the event.
- If you have a compromised immune system, it will be best that you do not attend the event.

If you aren’t on Facebook, email a photo to Tammy Moore.

Opportunities to Give and to Serve

Support Midwest Mission Distribution Center

Penny Sunday is August 16

The Midwest Mission Distribution Center (MMDC) is a disaster relief facility located near Springfield, Illinois that is a cooperating depot in the United Methodist Committee on Relief (UMCOR) Relief-Supply Network, providing cleaning buckets and emergency relief kits to those in need. MMDC’s campus provides opportunities for individuals and groups of all walks of life, denominational backgrounds, abilities, and ages to help provide disaster relief kits and resources as well as educational and medical supplies to those in need. North Olmsted United Methodist Church has sent mission teams to MMDC in recent years.

Our August Penny Sunday offering will go to support the Midwest Mission Distribution Center and their efforts to provide much needed supplies to people experiencing need in the wake of disaster. For those receiving supplies, we are offering hope that they are loved. Make checks payable to NOUMC and write August Penny Sunday in the memo. Send checks to the church office, attention Ed Brewster, Financial Secretary.

Thank you!

Thank you so much for the graduation package you sent me! It means so much to me that you continue to keep me in your thoughts and prayers! It was a very kind and generous surprise! I hope you are all staying well and continue to grow in your faith during this pandemic. Thank you for making a special effort to congratulate me during this time. — Kirsten Ressel

Floyd and Barb thank all of you who helped to make our 60th anniversary so special even though we were under a stay-at-home order. Our refrigerator is covered with many wonderful cards, and so far the only one who hasn’t acted happy for our celebration is our mail carrier.

Thank you for the generous gift you gave me as I completed my second year in ministry with you at NOUMC. I am grateful for the blessing of being a part of your community! — Megan Howe

A heartfelt thank you to all of the prayers, kind words, and cards that have been sent to my family. They are of great solace. Peace be with you always. — Kara Quan

Consider Teaching Sunday School This Year!

Fall is fast approaching, and hopefully that will also mean a return to Sunday School at some point! What our classes will look like and when they will begin will depend on the COVID-19 situation. We will be placing a top priority on everyone's health and safety. When we do return to Sunday School in the classroom, we will need several volunteers to teach classes on all levels. Please consider teaching our children, youth, or adults this year! We offer elementary, middle school, high school/young adult, and adult classes. All classes welcome new teachers into their rotation! Please contact Wendy at sundayschool@noumc.org if you are interested in signing up or if you have any questions.

A Message from the Stephen Ministries Team

Abundance

This morning as I sat in my wooded backyard and listened to the birds high up in the tree canopy, I noticed a doe laying in the grass at the rear of our property. “How wonderful my world is,” I thought. For my little world is precious and full of abundance, good beyond measure. I am blessed.

I don’t always see life that way. That feeling of wellness can easily disappear if I look at news headlines. We seem to have lost our way, and I feel powerless to change anything.

In Paul’s second letter to the Corinthians, verse 9:8, he said to the early church, “And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.” If we put our faith in God, we will live in abundance, and in fact will dwell in it. Why worry? For if we see how much we are given, we can do good work, we will have no choice, for it would seem we can give as abundantly to others as God has given to us.

God’s abundance is ours even in these dark times. We have the choice to embrace all that we have and recognize the gifts we’ve been given, to know abundance, or we can choose to be mired in fear and worry and see the glass as half empty, not half full. Abundance, plenty of the good things in life, is offered to those who trust in Him, for by seeking the kingdom of God, life becomes joyous and purposeful just by embracing it.

I read Paul’s letter as a challenge. We will “abound in every good work.” We live in abundance so we can give abundantly. Those news headlines are a call to action, and God gives us strength to do what we can to make the world a better place by speaking out, serving, and being present for people.

I looked back at the deer, whose eyes were always on me, and tried to convey with my eyes that all was well. And then I said a prayer, “God be with me as I open up my heart.” As God resides in me, I go about my day, open to what He calls upon me to do. There’s no room for worry.
