“Do Not Be Afraid: Easter Is on Its Way!”

“...Jesus said to them, “Do not be afraid; go and tell my brothers to go to Galilee; there they will see me.” Matthew 28:10

Greetings in the name of Jesus Christ, our Lord and Savior!

I trust that you are experiencing Lent and the approaching time of Easter with new awakenings and a spirit of hope and promise for renewed life through the Risen Christ!

With this in mind, I encourage you to *tell* the Good News of the Risen Christ. This high calling of discipleship cannot be done through our own strength. *Why?* Most, if not all of us, are impacted in some way by challenges with relationships, families, careers, health, and hopes for the wellbeing of the church, country, and world.

Are you troubled by a disagreement or hurtful experience with a family member or friend? Are you experiencing strains in your job or with adjustments in retirement? Are you worried about your own health or the health of a loved one in light of the news of COVID-19? Are you anxious about the future of the local and connectional church? Are you concerned about the deep divides of people in their ways of thinking and behaving with one another?

The Good News is that the love of God and the Risen Christ are present with whatever we are facing, and it is the strength of our faith that gives us courage to move forward each day, one person, one-moment-at-a time! *We need not worry or be afraid!*

Thanks be to God, through Jesus’ proclamation to those who first experienced his resurrection, we can live hopefully and courageously with the words: *“Do not be afraid!”* We can do so by *telling* and *living* the Good News that Jesus, the Risen Christ, is alive and well!

Easter is on its way and will soon be experienced as an encouraging reminder of the power of resurrection life!

Charge Conference regarding NOUMC Governance

The Administrative Board recently approved a proposal for some significant improvements to NOUMC's governance structure. This new structure will enable the church to plan more effectively, think and act more strategically, and operate more efficiently. This is an important element of *Our Faithful Journey*, the church's long-term vision.

"Governance" is a broad term that includes many elements related to how the church makes decisions about our ministry and our administration. It includes, among other things, the number and composition of our committees and ministry teams, the processes under which they operate, how we develop our annual plans, and how the congregation stays informed about all matters that are important to the life of the church.

The current NOUMC governance model has been in place for many years. It works well for tactical decision-making and coordinating activities throughout the church. However, it has some significant shortcomings that could be impediments to the church achieving the strategic goals and brighter future articulated in *Our Faithful Journey*. The current proposal outlines these challenges in more detail. It also proposes a new structure to address these challenges without sacrificing the best elements of our current structure.

It is important that the whole church understand and approve the new structure. As you may have heard during worship, we were planning to hold a Charge Conference on April 5, in which the plan was to be presented and the church membership was to be asked to vote on its adoption. However, we have now decided to postpone the Charge Conference until a later date, to help keep everyone in the church safe and healthy during the coronavirus outbreak. But please watch for future announcements of the rescheduled date and plan to join us for this important discussion.

For those not aware, a *Charge Conference* is the basic unit of organization in the hierarchy of the United Methodist Church, comprised of a single church (or, in some cases, a collection of local churches that share a pastor). It typically meets once per year to evaluate the ministry of the church, approve the budget, set salaries for the pastor and staff, recommend any candidates for ordination, and other important business. Because the governance structure affects all areas of the church, the Administrative Board felt it was important that the whole church have an opportunity to review the plan, ask questions, and formally approve it before implementation. As such, it was recommended that the new governance proposal be presented and voted upon at a special meeting of the NOUMC Charge Conference.

If you have any questions, please contact Andrew Walsh (*Our Faithful Journey* leader), Pastor Hoyte, or any member of the Administrative Board.

Oxcart Pantry Easter Baskets Update

This year's Easter baskets will probably be distributed late because of COVID-19 concerns. After we have rescheduled the March Penny Sunday offering to collect money for the baskets, we will decide how to fill the baskets and deliver them. Once again, Fairview Grace is joining us by donating baskets, too. The need continues, and with the talk of cutbacks of SNAP and Medicare help, it is destined to grow.

Sunday School Mission Project: CANstruction Display Dates

Tentative dates are September 18 - October 4

The CANstruction team hopes to build their structure on Thursday, September 17 at Southpark Mall, after the mall closes for the day. All structures will tentatively be on display from Sept. 18 - Oct. 4. The team hopes you will be able to stop by at some point to see their work!

The theme of this year's CANstruction competition is: *It CAN Be Fun to Do the Impossible*. John Wolter's team, the team we are supporting, has come up with a concept for their structure: playing off the popular video game, they will build a *Portal To The Moon!* John says, "Imagine if there was a gateway you could just step through and you're on the moon!" All of the money raised by our youth this year will be given to John and his team so they can purchase the canned food and other items they will need to build their structure. When the structure is disassembled, all of the canned food will be donated to the Cleveland Food Bank!

Honoring Our Graduates

We will be honoring our graduates during worship sometime in June. If you are a graduate or know of a member who is graduating from high school, college, technical school, or with an online degree, please give your information to Wendy Cooper by the end of May. She will need your name, school, degree, and what you will be doing next. Email Wendy at sundayschool@noumc.org.

Adult Sunday School New Study:

Faithful and Inclusive: The Bible, Sexuality, and The UMC, by Rob Fuquay

Dates to be announced

Facilitated in turn by Pastor Hoyte, Rev. Alice, Rev. Don, and Rev. Joel

Faithful and Inclusive allows you to gain an understanding of how United Methodists can be both obedient to God's Word and fully welcoming to LGBTQ persons in the church.

This six-session resource for Sunday schools and small groups has been designed for participants to develop their own perspectives on the Bible's passages related to homosexuality. Rev. Rob Fuquay, pastor of one of the largest United Methodist congregations in the country, creates a safe space to navigate through this thorny issue, relying on the biblical-interpretation approach of Methodism's founder, John Wesley. Each video session also features the faith journeys of members of the LGBTQ community and their families. Closed captioning included.

The six 45-minute video sessions cover these subjects:

- 1: How United Methodists Interpret Scripture
- 2: Old Testament Passages
- 3: The Influence of Culture on How We Read the Bible
- 4: New Testament Passages
- 5: The Jesus Ethic: What Did Christ Say?
- 6: Where Does the United Methodist Church Go From Here?

Everyone is welcome.

Thank You Notes

Dear NOUMC Family,

Your kindness and expression of sympathy during the loss of Jerry Roman, Mary Jane's son, Pat's brother, Craig's "brother", and Addie's uncle has been God's gift to us during this very difficult time.

We are grateful to have people like you (a second family) in our lives, who show the meaning of friendship and God's love when it is needed most.

God Bless All Of You!

The Mueller Family

The Entire NOUMC Family,

Hello! For many years I have wanted to say thank you for your love and support. You have sent me gift box after gift box and card after card for my entire college career, and every time I received a gift from you all, I was overjoyed. You have all supported me since I was a child, and for that, I thank you. I know my visit to NOUMC is long overdue, but I want to say, I miss you all, and I am so appreciative of all you have done for me over the years. It did not go unnoticed. I miss you and love you all.

Cameron Ressel

P.S. Thank you for celebrating my graduation in absence. The cake was beautiful.

Dear Barb and all those who participated in the 2019 Adopt-a-Family Program,

On behalf of the Department of Youth and Family Services, I would like to extend my gratitude for participating in the 2019 Adopt-A-Family Program. Your time, thoughtfulness, and generosity were greatly appreciated and made for a truly memorable Christmas to the families you sponsored:

It was a pleasure working with you in helping to make a difference in our community this holiday season.

To Our NOUMC Friends,

Thank you so much for all your prayers, cards, and gifts for Stella after her broken leg. She looks at her cards every day and has chewed them, colored them, and enjoyed them. Your thoughtfulness will help all of us get through a long month until she gets her cast off. God bless all of you!

Dear Friends,

Thank you for your generous donation of laundry soap and Christmas stockings! I can't tell you how much everyone loves these things! It is such a treat for everyone when they receive the stockings! Thank you!
