Adult Sunday School Bible Study Started May 4th: You Can Still Join Us!

We are hungry for a sense of purpose, direction, and calling in our lives. That's as basic an ingredient to the human experience as they come. We want to be part of something bigger than ourselves. We want to participate in something that has eternal merit and lasting impact. We do not want to live a shallow, hollow existence. We yearn for deeper meaning, for deeper purpose within our lives. We want to be more than we are.

"On Purpose: Finding God's Voice in Your Passion" is a four-part exploration of the spiritual principles that allow us to listen to God, discover our purpose and passion, join with others in the journey, and ultimately, make a difference in the world around us. As you study the book together with those in your small group, you will learn to minimize the barriers that prevent us from listening to God and recalibrate your spiritual lives to be more in tune with who God is and how God is calling you. You will discover that listening together, in the context of community, not only helps us be part of something bigger than ourselves: God will use us to have an impact in the world far greater than the sum of our parts.

Annual Conference News!

Did you know you can impact the world right from Annual Conference? By collecting items for Midwest Mission, **your congregation can bring life-changing items to people in need around the world, without leaving Ohio.**

A wheelchair that was previously collecting dust in a storage room, could empower someone like Luis*, who was dependent on his family to move him around the house. He couldn't even get to the bathroom on his own! But, **with a wheelchair donated by someone like YOU, he has dignity, independence, and hope for his future!**

Medical supplies that we might consider "old" can be life changing for people like Luis. Your wheelchairs, walkers, canes, crutches, and other orthopedic supplies (like boots, splints, and braces), are desperately needed. Bring them to annual conference, and allow Midwest Mission to be the conduit to people around the world, **giving a second life to your medical supplies.**
